PAINTED TULIPS

AMERICAN FLAG. (Rembrandt) A very spectacular combination of white and red. The unique flowers are brilliant deep red, strikingly striped and flecked with white.

FIERY FLAMES. (Rembrandt) Distinct and beautiful, appropriately named. Spectacular yellow blooms with vivid red flames and stripes. Handsome in appearance, very interesting.

POLKA DOT. (Cottage) Only one of its kind! Single late flowering huge white tulips covered with colorful red dots. Indeed a very remarkable flower because of its rare and unusual color.

Parrot TULIPS

TALL, EXOTIC, FRILLED BLOOMS

BLUE PARROT. A fascinating tulip of bluish-heliotrope, with beautifully fringed and laciniated petals. Tall straight stems hold these gorgeous flower heads. 24 inches high.

FANTASY. Deep rose-pink shaded salmon-rose changing to cream-pink at edges, and spotted emerald-green.

FIREBIRD. Deep but bright coral-red variation of Fantasy, with the same fine qualities. Grows 2 ft. tall.

ORANGE FAVORITE. A splendid variety, beautifully formed and artistically colored in rosy-orange with amber shadings and delicate green markings. Fragrant. Height 24 inches.

TEXAS GOLD. Huge, clear golden yellow flowers, delicately edged in red and outside of petals lightly marked with green. Blooms are heavily laciniated. Strong 20 inch stems.

BLACK PARROT. No other tulip like it! In form, it's similar to Texas-Gold, but it's colored a soft, deep velvety maroon that's almost black! Heavily laciniated and opens to enormous size.

CARL DOORMAN. An outstanding Tulip. Massive bold cherry-red flowers edged in brilliant golden yellow. The laciniated petals of red and yellow make a flower of great curiosity. They're a sight to behold on sturdy 18 inch stems.

MIXED. A brilliant mixture of all colors that makes a gorgeous fascinating display. All are tall, sturdy straight stemmed varieties. Not individually labeled.

GIANT DAFFODILS

They're lovely in beds or for edging beds, walks or shrub borders. Plant them 5" deep in heavy soils, 6-8 inches in light soil. They also make wonderful house plants for early spring bloom — just pot them in fall and keep them in cool dark place 'til January. The 2 varieties listed, do well indoors or outdoors.

KING ALFRED. (Giant Trumpet) A real beauty. Clear golden-yellow in both trumpet and perianth. Large, of superb form with tall stems. The best variety for growing indoors as it forces easily.

FAMOUS PINK TRUMPET DAFFODIL

(Mrs. R. O. Backhouse) The famous original "pink" daffodil. Large, very lovely flower of the trumpet type. The petals are pure white and the trumpet, after opening, slowly turns to a charming shade of pink. Looks almost like an orchid.

EXCITING HARDY HYBRID LILIES

GRACE YOUR GARDEN YEAR AFTER YEAR — JUNE THRU SEPTEMBER!

These glorious new hybrid Lilies are easy to grow and are best when fall planted, to establish themselves before winter. They'll bloom next summer, and they prefer sunny well-drained porous garden soil, where they'll multiply rapidly to give you every possible variety of color, form, and blooming time from June to October! Cultural instructions included.

Giant Olympic Hybrid Lilies

GOLD BAND LILY.

One of the loveliest of all garden Lilies with immense 7 to 9 inch waxy-white trumpets that are streaked with gold and spotted crimson! Up to 15 fragrant blooms on a 5 to 6 ft. stem in Aug. and Sept. We offer true *L. auratum platyphyllum*, the most desirable wide-leaved, vigorous type.

Large bulbs, \$1.10 ea., 2 for \$1.98, postpaid.

Gold Band Lily

GIANT OLYMPIC HYBRID LILY. America's finest hardy garden Lily! The largest, tallest trumpet Lily with 7 to 9 inch flowers blooming in huge clusters atop husky 5 ft. stems. Color varies from ivory white with golden throat thru cool icy green, to soft pink, with various combinations of these colors. Blooms for several weeks in July. Very hardy. Large bulbs 70c each, 3 for \$1.98, postpaid.

FIESTA HYBRIDS. A rainbow of colors ranging from straw-yellow to vivid reds, blazing oranges, deep maroons and shades like burnt sienna, terracotta and striking bi-colors, all sprinkled with tiny maroon dots! A single plant boasts up to 20 of these reflexed nodding lilies during July. Large bulbs 70c each, 3 for \$1.98, postpaid.

RED BANDED RUBRUM LILY. Showiest of all hardy garden lilies with bright pink flowers, edged white and generously spattered with maroon red spots! Wavy, reflexed, 4 to 5 inch flowers on strong 3 to 4 ft. stems, are lovely in the garden in late August and early Sept. Fine for cutting. Large bulbs, 85c each, 3 for \$1.98, postpaid.

NEW GOLDEN CLARION TRUMPET LILY (finest aurelian hybrid). In form, resembles Regal Lily, but trumpets are larger, and color ranges from clear lemon yellow, thru buttercup-yellow, to deepest gold! Some trumpets show distinct wine-red stripes on reverse of petals. Very sturdy 4 to 6 ft. plants bloom in July. Large bulbs, \$1.20 each, 2 for \$2.15, postpaid.

ENCHANTMENT. A most beautiful, most prolific new hybrid Lily with lots of 4 to 5 inch, cup shaped, upright flowers of intense, blazing nasturtium-red on stout 3 to 4 ft. stems. In late June and early July it will literally light up your garden with a massive blaze of vibrant color. Large bulbs, 70c each, 3 for \$1.98, postpaid.

MADONNA LILY. The lovely Lily mentioned in the Bible and the snow white, very fragrant Lily you often see blooming in big clusters on 3 to 4 ft. stems in June. Also known as St. Joseph's Lily and Annunciation Lily. Large bulbs, 65c each, 3 for \$1.80, 6 for \$3.25, postpaid.

Everbearing **STRAWBERRIES**

Everbearers are best for home gardens because they'll not only provide you with fresh fruit in June (as Junebearers do), but also in mid-summer and again abundantly from Sept. 'til frost!

Everbearers make few runners and can be planted closely. Make rows 3 feet apart, set plants 18 inches apart in the row.

**YOU CAN
 PLANT
 THIS
 FALL!**

Remarkable new everbearer yields a pint per plant 1st season, then **DOUBLES** this the 2nd season!

The world-famous everbearer developed by crossing Wayzata Everbearer with Fairfax Junebearer. Combines Wayzata's honey sweetness with Fairfax's enormous yields. The big glossy, dark Red Rich berries are solid red thru the core. Freeze them whole—they won't "mush" when thawed. Control Cyclamen Mite with Kelthane. 12 plants \$2.95, 25 for \$5.00, 50 for \$8.50, 100 for \$15.00, 250 for \$32.50, 500 for \$62.50, ppd.

New HONEY-LUMP

No sugar needed to enjoy these honey-sweet berries—a boon to diet watchers! Actual refractometer tests proved Honey-Lump highest of all in natural fruit sugar. They're noticeably sweeter too—you can taste the difference. They'll keep bearing till snow flies. They're winter hardy in Northern Minnesota. **For Spring Shipment Only.**

New OGALLALA

Developed by USDA in Wyoming and University of Nebraska, crossing wild Rocky Mt. strawberries with garden varieties to combine the rare aromatic flavor of wild strawberries, with the large size, heavy fruiting and everbearing habit of the best domestic varieties. Now You Can FALL PLANT Strawberries

Due to modern storage facilities, it is now possible to fall plant strawberries. Our spring-dug plants, put in cold storage, stay in perfect dormant condition for successful planting the following fall.

This is Important: Mulch your planting with 6 inches of coarse straw or litter at freezing time. Uncover when growth starts in spring.

KILLS FLIES on Contact Better, Safer than Sprays, Bombs, Fly Paper • Works for Entire Season

After 2 hours

After 4 hours

Actual photographs taken in dairy barn

Now, quick death to disease-bearing flies with amazing new FLY CAKE! Perfected scientific discovery attracts flies like a magnet, kills them instantly. No fuss, no mess. Simply place moistened Fly Cake where flies tend to accumulate. Just 4 Fly Cakes equal the control power of 100 or more aerosol bombs because these new, solid chemical cakes give complete, unvarying protection for so long. Fly Cake's unique death-dealing power works on roaches, ants, too. Lasts for an entire season—as long as cake is intact.

safer than sprays—Common sprays or aerosols disperse their poisons in all directions throughout living areas. Fly Cake's special insect-destroying chemicals are safely sealed within a solid cake—can't taint food, clothing, furniture. Pets are not attracted to Fly Cake, and it is not harmful if touched or even tasted by humans.

works where DDT fails—Evidence reveals certain flies have built-up resistance to DDT. Fly Cake kills them dead! Acts in 5 seconds to paralyze insects' nervous system, destroys them on the spot. Flies need not eat cake—merely lighting on it puts an end to them!
